Diploma in Teaching in the Lifelong Learning Sector Level 5

Pathway Group
putting you first

The Level 5 Diploma in Teaching in the Lifelong Learning Sector is the teaching qualification developed particularly for the full teaching role in the further education sector in England - though it can be used more widely.

This qualification will prepare you for a successful career as a teacher in your chosen subject within further education.

Who are they for?

These qualifications have been developed for those working, or looking to work, in a teaching role in the Further Education (FE) sector in England. You can take this generic qualification and a separate subject specific qualification.

- Curriculum development for inclusive practice
- Wider professional practice
- Enabling learning through assessment
- Applying theories and principles for planning and enabling inclusive learning and teaching
- Effective partnership working in the learning and teaching context.

The course comprises of mandatory and optional units.

Mandatory Units:

Part one is made up of 4 mandatory units of 60 credits of the qualification, the units include:

Details of Units Credit Value:

- Preparing to Teach in the Lifelong Learning Sector (Level 4) 6
